

Low-Cost Spay/Neuter Resources

Below is a list of many low-cost spay and neuter facilities throughout Maryland. Many of these facilities also offer low-cost veterinary services including vaccines, exams, microchipping, surgeries, and more. If you choose to use any of these facilities, please be sure to go to their website and contact them directly for up-to-date information and/or to confirm availability, services, scheduling, prices, etc. Many of these facilities also offer no-cost services for those who meet certain income requirements and live in specific zip codes.
